Welcome to SCANS

ABOUT US

SCANS is a registered non-profit organization that provides opportunities for lifelong learning to seniors (50+). We have chapters in Halifax, Mahone Bay, Liverpool and Truro.

ABOUT OUR MEMBERS

With about 600 members throughout Nova Scotia, we're a diverse group. But we have one thing in common: We like to learn.

Many members are also volunteers. If you have any free time and would like to get involved, SCANS always welcomes volunteers. You do not have to have any specific skills — there are lots of jobs for you to do! Volunteers are needed for class management, technical support, hospitality, feedback, and much more.

ABOUT OUR PROGRAMS

COURSES

Courses are offered three times a year. They usually run once a week for six weeks – and not an exam or test in sight. Sometimes there is homework, but it's fun. Most courses are in person, but some are on Zoom and some are both, what we call hybrid.

To take a course, you need to be a member of SCANS. Membership entitles you to enroll in any of the courses offered each year. (But be quick, courses can fill up quickly.) The annual membership fee is \$150 + HST. We recognize that fee is not in everyone's budget, and we can offer payment options or a bursary.

PUBLIC PRESENTATIONS

We also offer free 90-minute presentations in person or on Zoom.
